

ABOUT US

Founded in 1949, TRDP group today is amongst the leading tobacco manufacturers and exporters of India. The group commenced as a small business house for Hukkah type tobacco and gradually expanded into a full fledged smokeless tobacco industry.

With an array of world class food products. TRDP Happy World has already made its mark and has become a brand with faith amongst the Food Sector in India.

Our plant is fully automatic and delivers untouched products. we constantly maintain the temperature at plant from Dough to Bread, which gives a uniform taste, texture, colour and crunch to the toasts.

Moreover, it is Asia's largest rusk manufacturing plant.

Our products and teamwork have made TRDP Happy world a brand synonymous with world class quality and a delightful eating experience. Today, we are proud to be the name behind the happiness of over a million customers across countries.
